Support Healthy Homes, Healthy Places Week 2024

Healthy Homes, Healthy Places Week 2024 takes place from 30 September - 4 October 2024. It brings people and organisations together over a week to highlight the importance of homes and community as a key building block for health and wellbeing.

Everyone is invited to take part in [Healthy Homes, Healthy Places Week](#), join us in showing healthy homes are more than just bricks and mortar, they provide the foundation from which people and communities can thrive.

Get involved #HHHP24

Healthy Homes, Healthy Places Week themes

During the week we will be exploring housing and health from the view point of:

- Hazards in the home
- Fuel poverty and retrofitting
- Health and housing partnerships
- Supported and specialist housing

Share your stories

We'll be sharing content during the week and we're inviting you amplify this important message by sharing your stories, best practice and support during Healthy Homes, Healthy Places Week to demonstrate the importance of homes being the building blocks for health and wellbeing.
